## HOW TO APPLY? STUDENTS

Application process for students (Master/PhD):

To attend the Summer School, candidates must apply and submit an application package (see content below).

### Who can apply?

- Students (master/PhD)

### Application calendar and submission

- Submission of the application package (see content below) until March 31st 2025
- Notifications on April 16th 2025
- Registration from April 16th to May 2nd 2025

### Application package - Students (master/PhD)

- Abstract in English (max 1 page, including figures and references)
  - Explain main part your research project/working activities and briefly your motivation for attending the summer school
  - Download the [Abstract Template](#)
  - Consult the [Topics](#)
- A detailed and up to date Curriculum Vitae
- If accepted, registration will be open and candidates will have to submit an A0 Poster in PDF format and in printed format to be displayed during the summer school.

### How to submit your abstract and C.V.

To submit your abstract and your C.V. on the Sustain-E summer school website:

- It is necessary to have an account on the platform or [create](#) one,

#### OVERVIEW

The SUSTAIN-E Summer School will be back for a second edition from June 15th to 19th 2026 in Grenoble, France!

SUSTAIN-E (SUMmer School on sUSTAINable Electronics) introduces the sustainability challenges in electronics and covers innovation in microelectronics, power electronics and PCB production.

The program will cover circular design, eco-design methods, raw materials, recycling and the R-strategies. Participants will also explore low-tech and frugal design, resilient ICT systems, and the geopolitical and regulatory landscape of greener electronics.

Discover the key challenges and emerging solutions shaping the future of sustainable electronics.

#### IMPORTANT INFORMATION

Candidate's profile: Master students (M2), PhD students, professionals (academic, industrial).

Dates:

- Submission of the application: End of January 2026
- Notification: March 13th 2026
- Registration period: TBA
- Summer School: from June 15 to June 19 2026

Registration is free, but participants are responsible for their travel and accomodation.
