

Monday 16/06 afternoon	Tuesday 17/06	Wednesday 18/06	Thursday 19/06	Friday 20/06 morning
	8:30 am – 10:00 am: Raw Materials, Recycling Techniques & Ecodesign Methods (Part 1)	8:30 am - 10:00 am : Sustainable PCB and clean room technologies	8:30 am – 10:00 am: Microelectronics session (Part 2)	8:30 am – 10:00 am: Regulations and economics related to more sustainable electronics (Part 2)
	10:00 am - 10:30 am - Break + Poster session	10:00 am - 10:30 am - Break + Poster session	10:00 am - 10:30 am - Break + Poster session	10:00 am - 10:30 am - Break + Poster session
	10:30 am – 12:00 am: Raw Materials & Recycling Techniques (Part 2)	10:30 am – 12:30 am: Power Electronics session (Part 1)	10:30 am – 12:00 am: Sustainable RF circuits Introduction & PCB advanced technology	10:30 am – 11:15 am: Ecosystem building
1:00 pm – 1:30 pm: Welcome Speech	12:00 am - 1:30 pm - Lunch	12:30 am - 2:00 pm - Lunch	12:00 am - 1:30 pm - Lunch	11:15 am – 12:00 am: Conclusion
1:30 pm – 3:00 pm: Introduction to Sustainable Electronics	1:30 pm – 3:30 pm : Microelectronics session (Part 1)	2:30 pm - 4:00 pm Social Event : Street Art Visit	1:30 pm – 3:00 pm : Regulations and economics related to more sustainable electronics (Part 1)	12:00 am - 1:00 pm - Closing + packed lunch
3:00 pm - 3:30 pm - Break + Poster install	3:30 pm - 4:00 pm - Break + Poster session		3:00 pm - 3:30 pm - Break + Poster session	
3:30 pm – 5:00 pm : LC Thinking - Methodologies to assess the environmental impacts of high-tech products	4:00 pm – 5:00 pm : Ecosystems and Education		3:30 pm – 5:00 pm : Power Electronics session (Part 2)	
5:00 pm - 6:00 pm - DPP (Digital Product Passeport) Introduction & Industrial case studies on sustainable electronics	5:00 pm - 6:00 pm - Industrial case studies on sustainable electronics	5:30 pm - 10:00 pm Gala Dinner at "Chez Le Père'Gras" Journey in cable car to the Bastille	5:00 pm - 6:00 pm - Industrial case studies on sustainable electronics	
6:00 pm - 7:00 pm - Debate	6:00 pm - 7:00 pm - Debate		6:00 pm - 7:00 pm - Debate	
7:00 pm - 10:00 pm - Welcome Cocktail + Activity Repair Café	7:00 pm - 10:00 pm - Dinner + Serious Games on Sustainable ICT		6:30 pm - 10:00 pm - Dinner + Activity Design Fiction - Imagine the future of smartphones
